

SCRUBBER DRYER

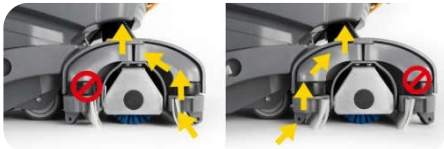

ROLLY 11 M33 BC 20 AH

Ergonomic handle with Unlocking System

Adjustable down pressure by knob (3 steps)

Alternate twin squeegee system (patented)

Fast and easy maintenance

Run time for uninterrupted cleaning

Compact and portable to go where the others can't!

ROLLY 11 M33 BC 20 AH

New Rolly Generation offers more power and loads of innovation: an integrated system of technical solutions able to meet the needs of the most demanding cleaning professionals. Cleaning narrow spaces is a breeze through its amazingly small dimensions, combined with a special patented handle and swivel wheels.

Cleaning solution tank has 11 Litre capacity. Recovery tank has 12 Litre capacity. Both tanks are removable for easy filling and chemical dosing as well as cleaning and getting rid of waste water. Rolly NRG delivers top cleaning and drying results: - the cylindrical brush deck, with three different down pressure adjustable settings allow the operator flexibility to set the machine for best cleaning results. Patented, alternate twin squeegee system delivers top drying results. New Rolly is whisper quiet, only 54 dB(A), perfect for all day cleaning in different work environments: in hospitals, age care, schools, etc., where quiet operation is a must.

Rolly NRG is easy to use with minimal training. The main machine functions can be managed by the intuitive control panel: coloured levers and knobs clearly help the user preparing the machine for work or while using it.

Battery operated version is offered with the latest generation lithium batteries located in a practical, small case guaranteeing reliability and long running time: more than two hours for the 20 Ah model on offer.

TECHNICAL DATA

MODEL	ROLLY 11 M33 BC 20 AH	
Power Supply		Battery 24V
Tank capacity	l	11/12
Cleaning width	mm	330
Squeegee width	mm	420
Rated Power	Watts	270
Productivity (theor/prac)	m ² /h	1.320/800
Running time	hours	2
Contact pressure	g\cm ²	35-71-160
Noise Level	db(A)	58/54
Weight (empty/with battery)	kg	24/27.6
Dimensions (L x w x h)	mm	640X450X502
